Make a Difference Day!

*Make a Difference Day was a **BIG** success.*

Make a Difference Day, the largest national day of community service. On the fourth Saturday of October, millions of volunteers around the world unite in a common mission to improve the lives of others. SaySo, Inc. collected new/gently used duffle bags for children in foster care. These children and teens typically move into foster care and throughout the system with their belongings in trash bags. On Saturday, October 26, 2013 SaySo improve the lives of others. Congratulation SAYSO!
